C

Someone told me long ago    There's a calm before the storm
G                              C

I know.. it's been coming for some time
G                              C

When it's over so they say    It'll rain on a sunny day
G                              C

I know shining down like water

(Riff 2)

F          G          C          Em          Am          G          F

I want to know have you ever seen the rain
G          C          Em          Am          G          F

I want to know have you ever seen the rain

C

Yesterday and days before,    Sun is cold and rain is hard
G                              C

I know, been that way for all my time
G                              C

'Til forever, on it goes    Through the circle of fast and slow
G                              C

I know, it can't stop, I wonder

(Riff 2)    (Chorus)    (Riff 1)
