

Hapa Haole Girl of My Dreams - 'Ale'a

I took her hand on the sand down at Waikiki

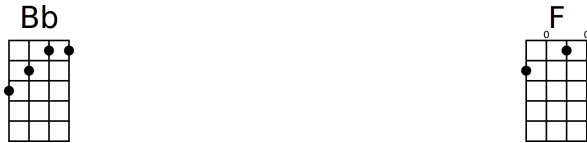

Under the palm trees 'neath the stars above

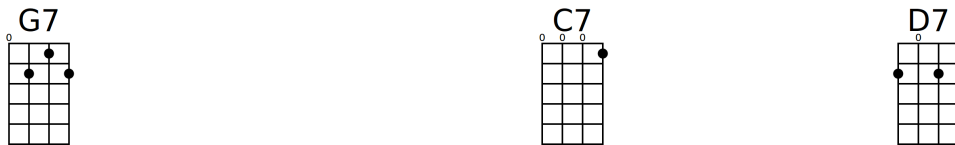

I looked into her eyes as the tourists were strolling by

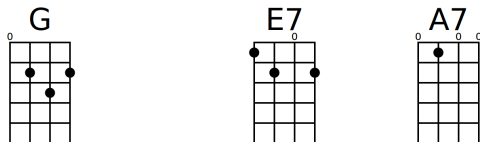

And we danced as the old Hawaiian music filled the air

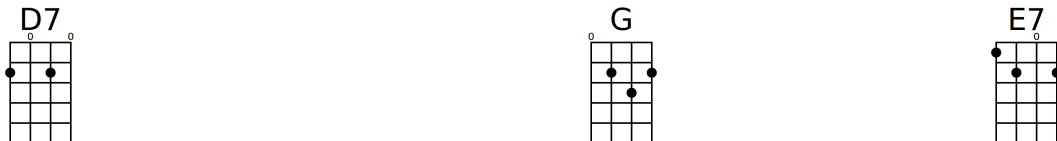

Hold me, hold me, hold me tight, my Lili`u e

Kiss me, kiss me one more time, e honihoni mai nei e honihoni mai nei

My heart skipped a beat that night upon the beach

For I'm in love with the hapa haole girl of my dreams

One more time

I'm in love with the hapa haole girl of my dreams
