Day after day I'm more confused, ...But I look for the light through the pourin' rain

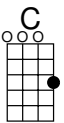

You know, that's a game that I hate to loose, ...And I'm feelin' the strain, ...ain't it a shame

Chorus:

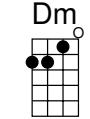

Give me the beat boys and free my soul, I wanna get lost in your rock and roll and drift away (2x)

(Intro)

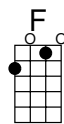

Beginning to think that I'm wastin' time. ...I don't understand the things I do

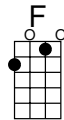

The world outside looks so unkind. ...I'm countin' on you ...to carry me through (Chorus)

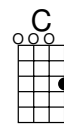

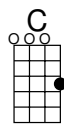

Bridge:

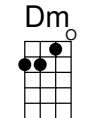

And when my mind is free, You know a melody can move me

And when I'm feelin' blue, The uke is comin' through to soothe me

Thanks for the joy that you've given me. ...I want you to know I believe in your song

Rhythm and rhyme and harmony. ...You help me along, ...makin' me strong (Chorus) (Intro)
