

# The Dinosaur Song

From The Big Green Rabbit TV Show

*intro:*

Am                    F                    Am                    E7                    Am                    F                    E7

<p>Am                    F They used to walk. They used to swim. Am                    F Some ate plants and some ate meat.</p>	<p>Am                    F They used to fly with a toothy grin. E7 Some walked around on just two feet.</p>
---	---

*Chorus:*

<p>Am                    F Oh, the dinosaurs! Big as trees! Am                    F Jaws and claws and teeth and bone...</p>	<p>Am                    E7 The dinosaurs! Brains like peas! E7 that used to growl and groan and moan.</p>
--	--

<p>Am                    F Some had feathers. Some had scales. Am                    F They fought like dragons. The earth sure shock.</p>	<p>Am                    F Spikes clubs and whip-like tails. E7 The volcanos sizzled and the lava cooked.</p>
--	---

*Chorus*

<p>Am                    F Tyrannosaurus Rex was a terrible king. Am                    F                    E7 Brachiosaurus liked to stomp.</p>	<p>Am                    F The Stegosaurus' tail could really swing. E7 Trachodon would chew and chomp.</p>
---	---

*Chorus*

<p>Am                    F They roamed the earth for a hundred million years... Am                    F                    E7 Then one day they hit the soil...</p>	<p>Am                    F without worries, cares or fears. E7 now they're fossils, gas and oil!</p>
---	--

*Chorus x2*
