The Dock Of The Bay - Otis Redding / Steve Cropper

Chorus:
I'm sittin' on the dock of the bay, Watching the tide roll away

Ooo, I'm just sittin' on the dock of the bay, Wastin' time

Bridge:
Look like nothing's gonna change, Every - thing still remains the same

I can't do what ten people tell me to do, So I guess I'll re - main the same

yes, Sittin' here resting my bones, And this loneliness won't leave me a - lone

It's two thousand miles I roamed, Just to make this dock my home

(Chorus)
