This magic moment, so different and so new. It's like any other, until I kissed you

And then it happened, it took me by surprise. I knew that you felt it too, by the look in your eyes

Sweeter than wine (sweeter than wine). Softer than a summer night (softer than a summer night)

Everything that I wanna have whenever I hold you tight

This magic moment, while your lips are close to mine. Will last forever, forever 'till the end of time
