Don’t Stop Believing - Journey

Just a small town girl, living in a lonely world; She took the midnight train going an - y - where

Just a city boy, born and raised in South Detroit; He took the midnight train going an - y - where

A singer in a smoky room, a smell of wine and cheap perfume

For a smile they can share the night, it goes on and on and on and on

Chorus:

Strangers waiting up and down the boulevard Their shadows searching in the night
Streetlight, people, living just to find emotion Hiding, somewhere in the night

Working hard to get my fill, everybody wants a thrill

Paying anything to roll the dice, just one more time

Some will win, some will lose, some were born to sing the blues

Oh, the movie never ends; it goes on and on and on and on

(Chorus)

Don’t stop believing, hold on to the feeling Streetlight, people (3x)

Don’t stop
