

# San Francisco Bay Blues - Jesse Fuller

I got the blues from my baby livin' by the San Francisco Bay

The ocean liner took her so far away

I didn't mean to treat her so bad, she was the best gal I ever have had

Said goodbye, made me cry,                      wanna lay down and die

## Chorus:

Well, I ain't got a nickel and I ain't got a lousy dime

If she don't come back, think I'm gonna lose my mind

If she ever comes back to stay it's gonna be another brand new day

Walkin' with my baby down by the San Francisco Bay

Sittin' down looking from my back door, wonderin' which way to go

That woman I'm so crazy about....she don't love me no more

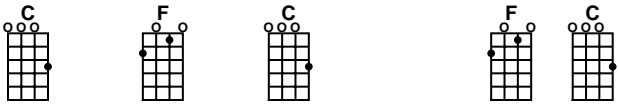

Think I'll catch me a freight train....cuz I'm feelin' blue

Ride all the way to the end of the line....thinkin' only, thinkin' only of you

**(Chorus)**

 C F C F C

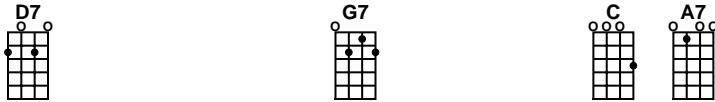

Meanwhile livin in the city....just about to go in - sane

Thought I heard my baby's voice, the way she would call my name

If she ever comes back to stay....its gonna be another brand new day
