Sunday Morning - Maroon 5

Dm          G           C
Sunday morning rain is falling, Steal some covers share some skin
Dm          G           C
Clouds are shrouding us in moments unforgettable, You twist to fit the mold that I am in
Dm          G           C
But things just get so crazy living life gets hard to do, And I would gladly hit the road, get up and go if I knew
Dm          G           C
That some day it would lead me back to you, That some day it would lead me back to you

Chorus:
Dm          G           C
That may be all I need, In darkness she is all I see
Dm          G           C
Come and rest your bones with me
Dm          G           C
Driving slow on Sunday Morning and I never want to leave
Dm          G           C
My Fingers trace your every outline, Paint a picture with my hands
Dm          G           C
Back and forth we sway like branches in a storm, Change of weather, still together when it ends.

(Chorus)
