

I'm on My Way - The Proclaimers

I'm on my way from misery to happiness today.

I'm on my way from misery to happiness today.

I'm on my way to what I want from this

world,

And years from now you'll make it to the next

world

And everything that you receive up yon -

der,

Is what you gave to me the day I wandered

I took a right, I took a right turning yesterday.

I took a right, I took a right turning yesterday.

I took the road that brought me to your home

town,

I took the bus to streets that I could walk

down

I walked the streets to find the one I'd looked for,

,

I climbed the stair that led me to your front door

Bridge:

And now that I don't want for anything...

I'd have Al Jolson sing "I'm sitting on top of the world"

I'll do my best, I'll do my best to do the best I can.

I'll do my best, I'll do my best to do the best I can.

To keep my feet from jumping from the ground dear,

,

To keep my heart from jumping through my mouth dear

To keep the past, the past and not the pres -

ent,

To try and learn when you teach me a lesson

(Bridge)

I'm on my way (repeat & fade)
