Southern Cross - Crosby, Stills, & Nash

Got outta town on a boat going to Southern islands
Sailing a reach... before a following sea

She was making for the trades... on the outside
And the downhill run... to Pape'ete (pa pay ay tay)

Off this wind on this heading lie the Marquesas
We got eighty feet of waterline... nicely making way

In a noisy bar in Avalon I tried to call you
But on a midnight watch I realized... why twice you ran a-way

(Think about)

Think about how many times I have fa-allen

Spirits are using me, larger voices ca-alling

What heaven brought you and me cannot be forgot-ten

I have been aro-o- ound the world,
Looking for that woman girl

Who knows love can endure... and you know it will

When you see the Southern Cross for the first time
you understand now why you came this way

Cause the truth you might be runnin' from is so small,
but it's as big as the promise, the promise of a coming day
So I'm sailing for tomorrow, my dreams are a-dyin'
And my love is an anchor tied to you, tied with a silver chain
I have my ship and all her flags are a-flyin'
She is all that I have left, and music is her name

(Think about)
Think about how many times I have fa-allen
Spirits are using me, larger voices ca-alling
What heaven brought you and me cannot be forgot-ten
I have been aro-o- ound the world,
Looking for that woman girl
Who knows love can endure
...and you know it will
...and you know it will

So we cheated, and we lied, and we tested
And we never failed to fail, It was the easiest thing to do
You will survive... being bested
Somebody fine... will come along, make me forget about loving you
...at the southern cross
