

Horse With No Name - America

La la, la, la-la-la-la la la la, la, la

On the first part of the journey ... I was looking at all the life

There were plants and birds and rocks and things ... There was sand and hills and rings

The first thing I met was a fly with a buzz ... And the sky with no clouds

The heat was hot and the ground was dry ... But the air was full of sounds

Chorus:

I've been through the desert on a horse with no name ... It felt good to be out of the rain

In the desert you can remember your name ... 'Cause there ain't no one for to give you no pain

La la, la, la-la-la-la la la la, la, la

After two days in the desert sun ... My skin began to turn red

After three days in the desert fun ... I was looking at a river bed

And the story it told of a river that flowed ... Made me sad to think it was dead

(Chorus)

After nine days I let the horse run free ... 'Cause the desert had turned to sea

There were plants and birds and rocks and things ... There was sand and hills and rings

The ocean is a desert with its life underground ... And a perfect disguise above

Under the cities lies a heart made of ground ... But the humans will give no love

(Chorus & fade out)
