

Under The Milky Way Tonight - The Church

Sometimes when this place gets kind of empty...

The sound of the breath fades with the light

I think about... the loveless fascination...

Under the Milky Way tonight

Lower the curtain down on Memphis...

Lower the curtain down all right

I've got no time... for private consultation...

Under the Milky Way tonight

Wish I knew what you were look-ing for

Might have known what you would find

And it's something quite peculiar

Something shimmering and white

That leads you here... despite your destination

Under the Milky Way tonight

Wish I knew what you were look-ing for

Might have known what you would find

Wish I knew what you were look-ing for

Might have known what you would find

(Bagpipes solo--play 4 times)
