Under The Milky Way Tonight - The Church

Sometimes when this place gets kind of empty...
The sound of the breath fades with the light
I think about... the loveless fascination...
Under the Milky Way tonight
Lower the curtain down on Memphis...
Lower the curtain down all right
I've got no time... for private consultation...
Under the Milky Way tonight

Wish I knew what you were looking for
Might have known what you would find

And it’s something quite peculiar
Something shimmering and white
That leads you here... despite your destination
Under the Milky Way tonight

Wish I knew what you were looking for
Might have known what you would find
Wish I knew what you were looking for
Might have known what you would find

And it's something quite peculiar
Something shimmering and white
That leads you here... despite your destination
Under the Milky Way tonight

Wish I knew what you were looking for

Under the Milky Way tonight
Under the Milky Way tonight
