The Weight - The Band

I pulled in to Nazareth, I was feeling about half past dead.

I just need some place where I can lay my head.
C          Em          F          C
"Hey, Mister, can you tell me where a man might find a bed?"
C          Em          F          C
He just grinned, shook my hand, "No" was all he said.

Take a load off, Annie. Take a load for free.
C          G          F          C
...you put the load right on me.

I picked up my bag. I went looking for a place to hide.
C          Em          F          C
When I saw Carmen and the devil walking side by side.
C          Em          F          C
I said, "Hey, Carmen, come on. Let's go downtown."
C          Em          F          C
She said, "I got to go, but my friend can stick around." (Chorus)

Go down, Miss Moses, there's nothing you can say.
C          Em          F          C
C          Em          F          C
"Well, Luke, my friend, what about young Anna Lee?"
C          Em          F          C
He said, "Do me a favor, son, won't you stay and keep Anna Lee company." (Chorus)

Crazy Chester followed me and he caught me in the fog.
C          Em          F          C
He said, "I will fix your rack, if you'll take Jack my dog."
C          Em          F          C
I said, "Wait a minute, Chester. You know I'm a peaceful man."
C          Em          F          C
He said, "That's okay, boy. Won't you feed him when you can?" (Chorus)

Catch a Cannonball now, to take me down the line.
C          Em          F          C
My bag is sinking low, and I do believe it's time
C          Em          F          C
To get back to Miss Annie. You know she's the only one
C          Em          F          C
Who sent me here with her regards for everyone. (Chorus) (End on C)
