

Monkeys - Sam Comfort

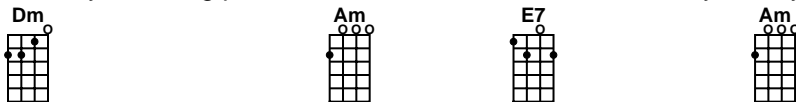

Chorus:

Monkeys Monkeys everywhere, Monkeys wearing underwear Monkeys are coming to your town

Monkeys wearing pearls with their hair in little curls, Monkeys turn your frown upside down

I used to be a monkey. but then I got a job Now I am a farmer I grow corn on the cob.

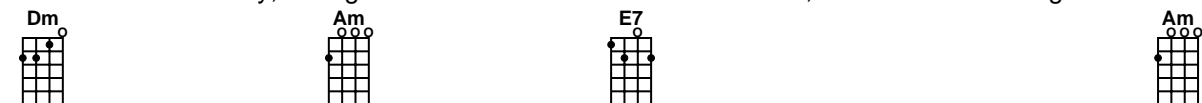

I grow lots of bananas, I think they taste real good, But I'm never goin back to my monkey neighborhood
chorus

Monkeys Monkeys wearing pants, Dance a funky monkey dance The monkey king dosen't need a crown

I used to be a monkey, but I got a better deal I drove a tractor trailer, but I ate the steering wheel

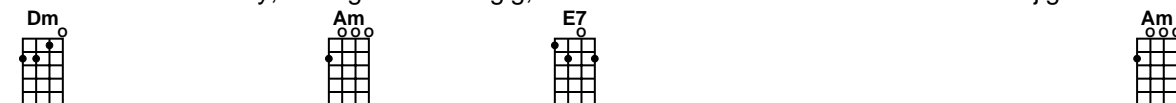

I didn't have no tail lights, I didn't have no brakes I got real nervous driving and I got the monkey shakes
chorus

Monkeys Monkeys eating pie, With their tails high in the sky, Monkeys are hanging upside down

I used to be a monkey, But I got a better gig, I took it to the streets and I danced a little jig

I didn't get no money and I didn't get no fame I'll go back to the monkeys, 'cause monkey is my name.
