

50 Ways to Leave Your Lover - Paul Simon

The problem is all inside your head she said to me... The answer is easy if you take it logically

I'd like to help you in your struggle to be free... There must be fifty ways to leave your lover

She said it's really not my habit to intrude... Furthermore, I hope my meaning won't be lost or misconstrued

But I'll repeat myself... at the risk of being crude... There must be fifty ways to leave your lover...

Chorus:

Fifty ways to leave your lover...

::: You just slip out the back, Jack. Make a new plan, Stan. You don't need to be coy, Roy. Just get yourself free.

Hop on the bus, Gus. You don't need to discuss much. Just drop off the key, Lee. And get yourself free. :::

She said it grieves me so to see you in such pain, I wish there was something I could do to make you smile again

I said I appreciate that and would you please explain About the fifty ways...

She said why don't we both just sleep on it tonight, And I believe in the morning you'll begin to see the light

And then she kissed me and I realized she probably was right... There must be fifty ways to leave your lover...

(Chorus)
