Here's a little song I wrote, might want to sing it note for note, don't worry, be happy

Ain't got no place to lay your head, somebody came and took your bed, don't worry, be happy

The landlord say your rent is late, he may have to lit-i-gate, don't worry, be happy

Ain't got no cash, ain't got no style, ain't got no gal to make you smile, don't worry, be happy
